

## Franklin County Disaster Application Checklist

Before you begin your FEMA application, it's helpful to gather the information listed below. Having a pen and paper on hand can make the process smoother. We understand this can be a challenging time, and we want to support you in every step.

### **Social Security Number**

You, another adult, or a minor child member in your household must have a Social Security number. You or they must also be a U.S. citizen, non-citizen national, or qualified alien.

If you don't have a Social Security number, go to the Social Security Number and Card page. You will get instructions on what to do and what documents you will need.

### **Insurance Information**

Describe the type(s) of insurance coverage you have. This could include coverage under policies like homeowners, flood, automobile, or mobile home insurance.

### **Damage Information**

Describe the damage caused by the flood and the type of home or vehicle (like a condo, mobile home or house, or a car or truck).

### **Financial Information**

Provide your total annual household income, before taxes, at the time of the disaster.

### **Contact Information**

Provide the address and phone number of the property where the damage occurred and the address and phone number of where we can reach you now.

### **Direct Deposit Information (optional)**

If approved, we can deposit your funds directly into your bank account. You just need to provide the following banking information:

Bank name  
Type of account (like checking or savings)  
Routing number  
Account number
